SECTION I

(To be completed by the Intern in consultation with the Supervisor)

A. Describe your long-range vocational plans?

B. What are the overall learning goal (s) you expect to achieve as a result of this field education experience?

C. Separate the overall learning goal (s) into specific learning objectives which are aimed to accomplish your overall learning goals (B above).

D. List the specific tasks assigned and ministry opportunities available which will contribute directly to the realization of your specific learning objectives. Tie each task to its related learning objective.

E. List other duties that will be expected of you as Intern in this field setting which may not contribute directly to your learning goals.

F. What other experiences have you had (church work, courses, readings, etc.) which will assist you in these duties and learning objectives?
